

PREGNATAL BREASTFEEDING EDUCATION CLASS

Let us help you prepare for a confident Breastfeeding journey!

Prenatal breastfeeding classes offer essential education for new and expecting parents on various topics, including latching, milk supply, expressing and storing breast milk, and handling common issues like soreness or cluster feeding. You should register for these classes in the late second or early third trimester and aim to complete them about four to six weeks before your due date.

Topics Covered, and More...

- What to expect when baby is born
- First feedings
- Basic latch and positioning
- Breastfeeding troubleshooting
- Where to find resources

Location: Yreka Clinic
475 Bruce Street, Yreka
